Re: FOIA Request

Dear Ms. DeBerry:

This is a request under the Freedom of Information Act. I am requesting copies of the following records:

SUA Review and Analysis for the ZAB SUA, including the Tombstone and Playas MOAs, for the period from January 1, 2021 – September 9, 2024. This request includes any record of spillouts and other airspace violations by the U.S. Air Force or Air National Guard for these MOAs. (In accordance with Chapter 21, Section 8 of FAA Order JO 7400.2, The Service Center OSG must conduct an annual review of restricted areas, MOAs, and warning areas under its jurisdiction.)

To help determine my status to assess fees, you should know that I fall in the following fee category: Other

I am requesting a fee waiver.

I am a citizen and full time volunteer and work with a variety of grass-roots community groups including Peaceful Chiricahua Skies. Peaceful Chiricahua Skies is a community group, is not a 501C3, and has no formal legal structure. We work in collaboration with the Chiricahua Regional Council and other local non-profit groups.

I believe that the requested information is in the public interest, and I have no commercial interest in receiving this.

This relates to a U.S. Air Force proposal for the Regional Special Use Airspace Optimization to Support Air Force Missions in Arizona that will greatly affect all people living in the MOA and is therefore in the public interest. The records being requested will contribute significantly to the public understanding of this proposal.

The information received will be shared with hundreds of people in our community who are interested in this and whose lives will be affected by this. I am requesting a fee waiver based on these facts.

If you have any questions or would like to talk further about this, please contact me anytime. Thank you for your assistance.

Regards,
